TEACHERS**

On September 3rd, from 6 - 7:30 PM Elko Middle School will host Live Q & A Sessions hosted in Schoology with each of your child's teachers. Sessions will last 7 minutes followed by a 3 minute break in between so that you can get into the next teacher's virtual "room." Parents are first asked to make sure you can navigate Schoology and view an introductory video found in each teacher's Schoology course. Videos will be posted by the end of the day on September 1st.
